FreestoreFoodbank (FSFB) is Ohio's third largest food bank, distributing 11 million pounds of food and groceries annually to a network of member agencies that directly serve needy individuals. These agencies include homeless shelters, day care centers, food pantries, soup kitchens, and seniors' centers, in the Southwest region of Ohio. FSFB has an annual operating budget of \$6 million.

An extension of the FSFB is the Agencies Building Capacity (ABC) Center. The mission of the ABC Center is *"to facilitate access to learning resources for partner agencies in a way that increases their capacity to move clients towards self-reliance."*

FSFB is capable of disseminating information about available training and mentoring to 3,000 agencies across the state. Two-thirds of these agencies are faith-based, the majority are volunteer-driven, and 80 percent operate on budgets of less than \$20,000 per year.
